

LIGHT OUTPUT	1350 lumens
CCT	2700K
BEAM ANGLE	40°
CBCP	1845 cd
WATTAGE	18W
EFFICACY	75 lm/W
APPLICATION	Incandescent replacement for indoor dry/damp applications. Suitable for Use in Enclosed Fixtures.

SKU: SE-350.017

COLOR RENDERING: CRI>90, R9>50

FLICKER <30%

High quality of light and low flicker, listed with California Energy Commission's (CEC) JA8/Title 24 standard for quality of light, the most stringent in North America.

ENERGY EFFICIENCY: 75 lm/W

LONG LIFE: 25,000 hours.

Listed for energy efficiency by the CEC for Title 20, insuring high efficacy with a high quality of light.

Lamps are also listed by Energy Star.

- ✓ Rated lifetime to L70: 25,000 hours.
- ✓ Warranty: 3 years

CERTIFICATIONS AND APPROVALS

UL, ES, CEC TITLE 20, CEC JA8/TITLE24

HIGHLY COMPATIBLE

Compatible with standard fixtures using an E26 base.

DIMMABLE

Smooth dimming with most existing installations. Dimmable to 1% when used with specific dimmers. See dimmer compatibility chart for details on operation and compatibility.
